Top navigation bar with icons for 'New Page', 'Delete Page', 'FR Page', 'Public Page', '1/1', and 'Follow'. Includes 'Load Content' and 'Record' buttons.

Audio Setup Wizard dialog box titled 'Speaker Setup'. It contains instructions: 'A recorded audio message will begin to play when you press Play. While it is playing, adjust the speaker volume slider to a comfortable listening level. When done, press the Stop button to stop playing the message. You will be asked whether the volume was satisfactory. If not, you will be given the opportunity to try again.' Below the text is a 'Speaker' volume slider and 'Play' and 'Stop' buttons.

The screenshot displays the Blackboard Collaborate interface. On the left, there are panels for 'AUDIO & VIDEO' (showing a 'KIU ADMIN' video feed), 'PARTICIPANTS' (listing 'KIU ADMIN Moderator'), and 'CHAT' (showing system messages). The main content area contains the Arabic text 'اختيار اجهزه اخري' (Select other devices). An 'Audio Setup Wizard' dialog box is open, titled 'Select Audio Output Device'. It contains the following text: 'Select the device (e.g., speakers) on which to play audio that you receive from others. If it is an unplugged USB device, plug it in, wait a few seconds for the system to recognize it, then click the Refresh button to add the device to the selection list.' Below this text is a 'Refresh' button. A list of audio devices is shown, with 'Speakers (Avnex Virtual Audio Device)' selected. At the bottom of the dialog are 'OK' and 'Cancel' buttons. A black arrow points from the Arabic text to the selected device in the list.

Audio Setup Wizard

Setup Complete

Audio setup is now complete. You can adjust your audio settings as needed outside of this wizard through the microphone and speaker volume sliders which are located in the Audio & Video panel. Audio settings are preserved from one session to the next, so you should not need to run this wizard again unless you make changes to your audio equipment.
